Cadillac Escalade

Cadillac Escalade Stretch Limo

Cadillac Escalade Limo

Cadillac Escalade Standard

Uncompromising Luxury.

simple. classic. elegant

The new Cadillac Escalade™ Golf/Estate Vehicle will come fully equipped with 16 Chrome wheels, functional headlights, turn signal lights, and high visibility LED tail lights, and a top speed of 19 mph. Constructed on a rugged all aluminum I-beam chassis the car features a 4 wheel braking system that includes Trojan® Batteries, a Wolf controller, a computer controlled DeltaQ® on board charging system and a pre-wired 12 volt electric system to run the lighting system and any optional stereo or video systems.

With fine standard appointments such as a simulated Burlwood accented interior, the CADILLAC ESCALADE™ Golf/Estate Vehicle from ACG Inc., is designed and to be the finest golf car available on the market. Other standard features include a color matched grill, locking simulated burlwood glove box, and chrome 16" wheels. From project inception to development, ACG Inc., has worked closely with Cadillac to construct the car with the meticulous detail that the Cadillac Escalade™ Golf/Estate Vehicle commands and deserves. Available as a standard 4 seat model or an extended 6 seat model, the new CADILLAC ESCALADE™ can only be licensed by CADILLAC and can only be built by American Custom Golf Cars, Inc..
